Item 4 Other Business Activities

Jordan C. Anderson is separately licensed as an insurance agent and is Chief Operating Officer of Journey Financial Services selling Life Insurance and Annuities. In this capacity, he can effect transactions in insurance products for his clients and earn commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Mr. Anderson for insurance related activities. This presents a conflict of interest because Mr. Anderson may have an incentive to recommend insurance products to you for the purpose of generating commissions rather than solely based on your needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm.

Mr. Anderson is also an owner of Jordan Cal, LLC, a consulting/marketing firm. Mr. Anderson's duties as the Owner of Jordan Cal, LLC do not create a conflict of interest to his provision of advisory services through Journey Retirement Planning and Investment Management, LLC.
